*PLAMAN Global is a global animal nutrition and health company. PLAMAN Global is a pure-play animal feed additive business that is led by a world class management team with extensive experience and proven track records to execute on the company's business plan.*

*Black Pearl® is the brand name for PLAMAN Global's black diatomaceous earth product for animal nutrition applications. Black Pearl® is a high value natural feed ingredient that contributes to animal nutrition and feed quality. We take pride in the significant contribution we can make in the animal nutrition industry.*

*PLAMAN Global owns the world's only known large scale black diatomaceous earth deposit, located in New Zealand, and has a mineral reserve of 31 million tonnes (in accordance with the JORC Code and NI43-101). Black diatomaceous earth will be crushed, granulated and dried at our processing facility to form granules that will be marketed under the brand name Black Pearl®. Based on the anticipated production volumes, PLAMAN Global has an operational life of at least 27 years.*

*PLAMAN Global is the only supplier of Black Pearl® and plans to make it available to all major markets across the globe, including New Zealand.*
